The Union of the Comoros undertakes to achieve the objectives of the Agreement, to comply with the conservation and management measures and all other decisions and resolutions adopted under the Agreement, to take appropriate measures to ensure that its fishing activities do not undermine the effectiveness of the conservation and management measures and all other decisions and resolutions adopted under the Agreement, and to consult with the Meeting of the Parties to develop any further criteria for admission as a cooperating non-contracting party or cooperating non-participating fishing entity specific to its situation.

This declaration is submitted to the SIOFA Executive Secretary for appropriate use and application.
