La Réunion, Wednesday 2nd May 2023

SC- CIRCULAR n° 2023-15

SUBJECT: Documents for the Extraordinary meeting of the SIOFA Scientific Committee

Dear SC Heads of Delegation,

Dear colleagues,

The report of the SIOFA Performance Review Panel (document SC-EXTRA1-01) has been submitted to the first Extraordinary Meeting of the Scientific Committee (SC-EXTRA1), to be held on the 1st of June 2023 from 08h00 to 11h00 UTC, and is available at the meeting page (<https://siofa.org/meetings/sc-extra1>).

I kindly invite those of you who have not registered to the meeting to do so at your earliest convenience, through the registration form available at the SC-EXTRA1 meeting page. The meeting will be held by video conference using the ZOOM platform and a meeting link will be provided to the registered participants, ideally one week ahead of the meeting.

I also kindly remind you that the deadline for any submission of documents to the SC-EXTRA1 meeting is set at 14 days before the meeting, as per SIOFA rules of procedure. A meeting document template is available at the SC-EXTRA1 meeting page. Should you wish to submit any documents, please allow for a few days before the deadline, so that the Secretariat can process your submission.

Please don't hesitate to contact me if you have any questions.

Sincerely yours,

Alistair Dunn

SIOFA Scientific Committee Chair
